Dear Mr. Wood:

I am sending four coins to you for classification. I am enclosing, in the same package enough change to cover the cost of classification and return postage.

Yours very truly,

Mrs Mary A. Manchester

Dear Madam:

I am returning the four coins which I have attributed. Unfortunately two of them are simply ornaments and the other two are so poor that none of them have any value whatsoever. I am also returning a quarter as we do not feel we can accept more.

Very truly yours,

HW:JG
